§ 327.11 Special assessments.

(a) *Special assessment imposed on June 30, 2009.* On June 30, 2009, the FDIC shall impose a special assessment on each insured depository institution of 5 basis points based on the institution's total assets less Tier 1 capital as reported on the report of condition for the second assessment period of 2009. The special assessment paid by any institution shall not exceed 10 basis points times the institution's assessment base for the second quarter 2009 risk-based assessment.

(b) *Special assessments after June 30, 2009—(1) Authority for additional special assessments.* After June 30, 2009, if the reserve ratio of the Deposit Insurance Fund is estimated to fall to a level that the Board believes would adversely affect public confidence or to a level which shall be close to or below zero at the end of a calendar quarter, a special assessment of up to 5 basis points on total assets less Tier 1 capital as reported on the report of condition for that calendar quarter may be imposed by a vote of the Board on all insured depository institutions. For any institution, the amount of such a special as-

essment shall not exceed 10 basis points times the institution's assessment base reported as of the date that the special assessment is imposed.

(2) *Termination of authority.* The authority to impose additional special assessments under this paragraph (b) shall terminate on January 1, 2010, but such termination of authority shall not prevent the Corporation from thereafter collecting any special assessment imposed prior to January 1, 2010.

(3) *Estimation process.* For purposes of any special assessment under this paragraph (b), the FDIC shall estimate the reserve ratio of the Deposit Insurance Fund for the applicable calendar quarter end from available data on, or estimates of, insurance fund assessment income, investment income, operating expenses, other revenue and expenses, and loss provisions, including provisions for anticipated failures. The FDIC will assume that estimated insured deposits will increase during the quarter at the average quarterly rate over the previous four quarters.

(4) *Imposition and announcement of special assessments.* Any special assessment under this paragraph (b) shall be imposed on the last day of a calendar quarter and shall be announced by the end of such quarter. As soon as practicable after announcement, the FDIC will have a notice of the special assessment published in the FEDERAL REGISTER.

(c) *Invoicing of any special assessments.* The FDIC shall advise each insured depository institution of the amount and calculation of any special assessment imposed under paragraph (a) or (b) of this section. This information shall be provided at the same time as the institution's quarterly certified statement invoice for the assessment period in which the special assessment was imposed.

(d) *Payment of any special assessment.* Each insured depository institution shall pay to the Corporation any special assessment imposed under paragraph (a) or (b) of this section in compliance with and subject to the provisions of §§ 327.3, 327.6 and 327.7 of subpart A, and the provisions of subpart B. The payment date for any special assessment shall be the date provided in
